

PATCHOGUE FISHING CLUB REGULAR MEETING MINUTES

Date: **June 28, 2007**

Meeting called to order by President at: **8:15 p.m.**

After the pledge, the following committee reports were discussed:

OUTDOOR

Bill Rockwell reported on the results of the Freshwater Tournament held on June 3rd and handed out prizes. Cliff Bennett won first place for both the pickerel (2-0) and “other” fish category (1-15 bluegill). No bass were caught. Jason Remien thanked Bill for coordinating the tournament and reminded the members that Bill Rockwell donates the prizes (Thanks Bill!). Bill suggested that next year, the club should consider having the freshwater tournament at the end of June when licenses are not required and possibly use a different lake.

John Tighe reported on the results of the June 24th Peconic Bay Porgy Tournament. The results were as follows:

- 1st Place: Vivi Tighe (1 pound 15 ounces)
- 2nd Place: Tom Ganetis (1 pound 7 ounces)
- 3rd Place: John Tighe (1 pound 6 ounces)

The next tournament is the South Shore Boat & Surf Tournament on July 20th, 21st, and 22nd. Details will be included in the next newsletter.

Jason Remien continued to collect blackfish tournament deposits (\$50 non-refundable deposit for the November 3rd trip).

INDOOR

Mark Cappellino, an educator with Cornell Cooperative Extension’s Marine Program, presented to the club on “The Current State of Long Island Waters”. He also discussed a study that was being conducted on Fluke Discard Mortality and handed out flyers explaining what to do if you caught a fluke with a tag. Tagged fluke will be released June through September 2007. Jason Remien has copies of the flyer to those interested in participating in the study.
