June 2005 Newsletter

We have several events scheduled throughout the summer months. This will be the last newsletter until September so there is quite a bit of information included.. The website will continue to be updated throughout July and August so please check it often.

The Freshwater Tournament took place on June 5th. Pickerel, perch and sunfish were the species caught. Oh...and one frisky, frightened bass which managed to escape. Congratulations to the winners, Jason Gehrke, Steve Gehrke, Andy Polcha and Leo DiDonato. Bill did a great job, as always, running the tournament and he generously donated the prizes again this year. Thanks Bill!!!!

The Patchogue Fishing Club is fortunate to have so many members who contribute in many different ways. There are members who serve on committees, those who contribute financially, those whose expertise benefits the club in a variety of ways and those who bring to the club years and years of fishing and other life experiences. It was brought to my attention last month that some members are having trouble hearing what is being said at the meetings. Several of our members wear hearing aids and still have difficulty hearing the discussions taking place. For this reason, I would appreciate members standing and addressing the membership face forward when recognized at the meetings. If we stand up and speak up everyone will be able to participate. Thanks for your cooperation.

NEXT REGULAR CLUB MEETING WILL BE HELD ON:

June 23, 2005

Where: Blue Point Cottage

Time: 8:00 p.m.

Coffee and donuts will be served.

Committee Reports

Ladies Night

Friday, November 4th at Sunset Harbour
