### **President's Message** by James Smith

The March dinner dance was a terrific success and kudos must go out to all who helped make it such a fun evening out. Carl sure did cut a rug! In fact, quite a few members were wishing there was an oxygen tank at the edge of the dance floor!! Many prizes were given out and we were finally able to take some great pictures together as a group. Please submit any pictures of yourself with the fish you catch during this year and give them to Carl or Jason for a special slide show for the Dinner Dance next year. Even though everyone was having a great time, on a sad note Chuck Moffitt's mother Jean slipped and fell, breaking her hip. Our prayers go out to Jean as she recovers from surgery. We hope you are feeling better. On another sad note, Tom Ganetis' mother recently passed away. PFC would like to express our deepest condolences to Tom and his family.

Regarding Conservation, environmental groups are trying to get the Spiny Dogfish added to the endangered species list which if this occurs, would mean that no one could legally possess or harm a Dogfish. This seems ludicrous considering there are millions of these fish infesting our off shore fishing grounds. But from various reports, the population of dogfish in European waters is almost non-existent. I do see a need for regulations for areas where the species is being threatened. However, in our own waters these regulations are causing an over abundance of Dogfish which is now becoming a detriment to local sports fish. The Dogfish has even been seen invading Bluefish chum slicks and the Cod fishing grounds are totally infested with them. It seems that we need legislation to help put this species back in balance before they destroy the food chain and cause other species of fish to become endangered.

As far as the Fluke regulations are concerned, there is still no word on exactly what the N.Y.S DEC is going to adopt for the 2007 Fluke season. They will probably wait until June 1st before making that decision. Out of the four different options being examined, the most popular so far has been 19 ½ inches minimum size, four fish per day and a year round open season. I'll keep everyone informed as to how this progresses. Look for ever tightening regulations for Blackfish, Sea bass and Porgies. There are some that have gone as far as to try and designate the Blackfish a sport fish which would stop all commercial exploitation of the species. I also see Weakfish regulations changing within the next year or so. There is a feeling that the population is down considerably and steps need to be taken to maintain and even increase the Northeast biomass. Again, as details and changes in regulations occur, I will keep the club informed.

Remember in May, we have a few tournaments coming up; both the South shore Flounder Tournament and the Peconic Bay Tournament. And in June, the North shore Fluke Tournament on Father's day weekend. I would also like to encourage all of you to visit our website and take advantage of the message boards to keep in touch with each other and offer feedback about any concerns or comments you would like to share with the club.

Spring is finally here! I am looking forward to a great summer of fun and fishing with friends and family.

## Committee Reports

### Scales

Bill will be calibrating your scales at the April meeting. After the April meeting the scales which have not been calibrated this year can not be used to weigh fish for the annual contest or tournaments. To calibrate a scale after this meeting you must make an appointment with Bill Rockwell.

### Good & Welfare

As mentioned in the President's report, we are very sorry to report that Tom Ganetis' mother passed away. Our sympathy goes out to you and your family at this sad time, Tom.

Also as mentioned, Jean Moffett fell and broke her hip at the annual dinner dance on St. Patrick's Day. She was operated on and is recuperating. We wish you a speedy recovery, Jean.

## Conservation

Jim included this report in his President's message.

## Historian

John is continuing to do an outstanding job keeping our scrapbooks. He updates the current scrapbook frequently, so be sure to check it out if you haven't browsed through it in a while.

## Dues

Carl will continue collecting dues at the April meeting. Please remember that this is the last meeting to pay your annual dues and still remain in good standing. Members must be in good standing to be eligible to participate in tournaments.

Adult Member + two 150 Club Tickets.....	\$80.00
Senior Member + two 150 Club Tickets .....	\$65.00
Spouse + two 150 Club Tickets.....	\$60.00
Life + two 150 Club Tickets .....	\$20.00
Junior Member .....	\$25.00

Additional 150 Club tickets will be available.  
Junior members are not obliged to purchase 150 Club tickets.

## Quartermaster

Ron has done a terrific job on this committee and is looking into new sweatshirts and hats. There is no longer a minimum order requirement, so if anyone is interested in ordering a sweatshirt or a jacket, please talk to Ron.

Heidi is looking into having mugs made.

## 2007 Dinner

by Jason Remien

Even though no prize was awarded all agreed that John's tie was a winner.

Jason and Debbie did an outstanding job with the annual dinner dance this year. There were 57 people in attendance and everyone seemed to have a fabulous time. The changes in the menu and the deejay were perfect touches and added greatly to the overall success of the evening. It was financially successful as well, coming in at \$50.00 under budget. Our hats off to you, Deb and Jason! You always come through for us and we appreciate all your efforts.

## Prizes

George has everything set to begin a new year of tournaments, fish of the month, and dark horse.

## Website

Since we are no longer reading the minutes during the meetings, look for them on the website: [www.pfc1938.com](http://www.pfc1938.com).

## Newsletter

Anyone without internet access will receive their newsletter in the mail. If you have any problems with the electronic delivery please call Carl at 289-6934. He will be happy to help you.
